From the Rector: An Opportunity to Change Your Life!

Dear People of The Way,
Please take a moment and consider this new opportunity from St Andrew's Church – one available to everyone, no matter where you find yourselves!

What: An Uncommonly Good Bible Study

When: 2nd and 4th Mondays, 6-7 pm, beginning May 16

Where: St Andrew's Church, either physically or on Zoom

Why: A great Bible Study can be one of the most awesome experiences a Christian can have.

We aim to achieve that.*

You might ask:

Will this be a simple arrangement? Yes. There are 26 sessions, and each book chapter is manageable in content and time. *We'll do only one chapter every two weeks.*

Do I need to know much already? No. This 'course' works well for everyone. Co-facilitators Father Chip and Mike Balay will make this easy!

Will I be able to miss some sessions? Yes. It'll be easy to catch up on the readings and stay with us. Come when you can. *(The idea is that you'll want to come every time!)*

Will this be boring and a drag? Nope. *(On the contrary, this'll be refreshing and invigorating!)*

What do I need to do to get started? Email Father Chip at fatherchip@standrewsmv.org.

***Engagement with Scripture is the *single biggest catalyst for spiritual growth* in Episcopal congregations...and it can “transform the way you think and feel about everything” (Rob Bell, “What is the Bible?”).**
